

Check-21-Benefits Overview

Benefits Of Check 21

- Deposit Checks from your desk
Convert paper checks into electronic checks from your desk
- All Checks and Money Orders can be processed
Convert ALL types of checks at moment of payment including: Personal Checks, Corporate Checks, Online Bill Payment Checks and Money Orders.
- Save on Expensive Software
All you need is an internet connection and a scanner. It's quick, convenient and cost-effective.
- Eliminate Bank Runs
- Reduce Data Entry
Scan & transmit your checks at any time. No batch processing needed.
- Simplify the Accounting Processes
Export files direct to your in-house system.
- Reduce Transaction and Return Fees
- No Monthly Minimum Number of Transactions
Use our Check 21 software as much or as little as you like.

How Does Check 21 Work?

1. Check is scanned into the software, and data is transferred into the Check Software.
2. Check data is batched and transmitted for processing and presentment through the Federal Banking System.
3. Check Writer's account is debited, and cleared funds are deposited into your existing account.
4. Resulting A/R information is directly imported into your software so that your receivables are automatically updated!
